

Menorah Lighting Event to be Held at Chevy Chase Circle on Sunday, December 6 at 4:00 p.m.

The Village has learned that Chabad of Bethesda has obtained a permit from the National Park Service to display a menorah on the Maryland side of Chevy Chase Circle for the duration of Hanukkah (12/6-12/14). The menorah will be visible to motorists on southbound Connecticut as they approach the Circle.

The organizer has informed us that there will be a menorah lighting ceremony on **Sunday, December 6, 2015 from 4pm-5pm** and he expects 50-100 people to attend. Police officers will be present to assist with traffic and pedestrian safety during the event. Residents should expect an increase in the number of parked cars on the streets in the vicinity of the Circle at the time of the lighting ceremony.

If residents experience problems or observe parking violations related to the lighting ceremony, they are encouraged to contact the Village's 24-hour Communications Center at 301-654-7300.
